

**RESOLUTION 038-21**

**Authorizing the Executive Director to enter into a one (1) year contract with Best One Tire & Service for the purchase of tires and related services for SWACO vehicles and expend an amount not to exceed three hundred thousand dollars (\$300,000.00).**

SWACO owns and operates light, medium, and heavy-duty vehicles, trucks, and construction equipment at the Franklin County Sanitary Landfill (“FCSL”) and transfer stations. These vehicles and equipment require various types of tires and in some cases, specialized parts and services, in order to properly and safely maintain the machines. Shutdowns in tire manufacturing plants and supply chain interruptions caused by the COVID-19 pandemic have caused an ongoing national spike in tire shortages and unusually higher tire prices. However, Staff is working to increase tire inventory levels to sustain the supplies necessary to keep landfill and transfer station equipment operational.

To maintain the necessary inventory for SWACO vehicles and equipment, Staff is proposing to utilize a cooperative purchasing contract through Sourcewell with vendor Best One Tire & Service through November 2022. As provided in the SWACO Amended Procurement Policy, when purchasing from a cooperative purchasing agreement, the competitive bidding process has already taken place. Staff therefore recommends the Board authorize the Executive Director to enter into a one (1) year contract with Best One Tire & Service for the purchase of tires and related services for SWACO vehicles and expend an amount not to exceed three hundred thousand dollars (\$300,000.00).

Requested by: Bill Burns, Fleet and Facilities Manager

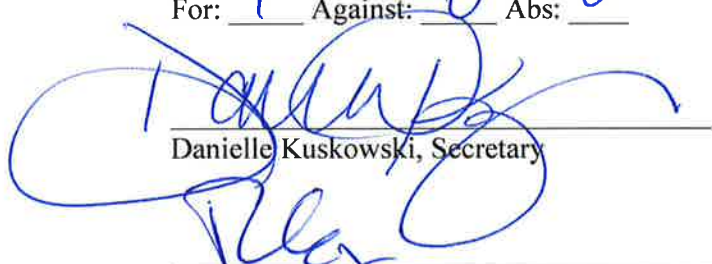

**BE IT RESOLVED by the Board of Trustees of the Solid Waste Authority of Central Ohio that:**

1. The Executive Director is authorized to enter into a one (1) year contract with Best One Tire & Service for the purchase of tires and related services for SWACO vehicles and expend an amount not to exceed three hundred thousand dollars (\$300,000.00).
  
3. This resolution shall be in full force and effect from and immediately upon its adoption.

Date Approved: October 12, 2021

### Summary

- Tire manufacturing plant shutdowns caused by the COVID-19 pandemic have caused national shortages in tire supplies and unusually high prices.
- Staff has been working to increase tire inventory levels to sustain the supplies necessary to keep landfill and transfer station equipment operational.

### Purpose & Goals

- The continued purchase of tires and related supplies directly affects the Operations team's productivity goals in transferring solid waste from the transfer stations to the landfill daily.
- Proper maintenance of its equipment is part of SWACO's commitment to the safety of its employees and the community.

### Process Used:

- Cooperative Purchasing       Competitive Process  
 Sole Source/Best Interest       Intergovernmental Cooperative Services Agreement

### Fiscal Impact

Funding for this resolution is provided by:

- Operating Budget     Capital Improvement Plan     Capital Equipment Plan  
 Capital Outlays Plan

### Future Action Anticipated

- SWACO tire inventory levels may continue to be adjusted in order to ensure tires are available for the fleet while there is a shortage in supplies.
