

Request for Bids for the Purchase & Installation of a Bulk Waste Compactor & Conveyor at Morse Road Transfer Station

Posted: April 10, 2025

This Addendum No. 4 shall be considered part of the Request for Bids for the Purchase & Installation of a Bulk Waste Compactor & Conveyor at MRTS and is intended to correct, change, and/or add to the documents as described below. Please make sure to complete the Addenda Acknowledgement form included in the *Required Documents*.

Question #10 from Addendum No. 3:

Could the following sheets on RFB_MRTS Construction Plans_008 document please be provided in .dwg or similar CAD format:

AR01-0003, ST01-0001, ST01-0002 (elevation of compactor area), ST01-0003, ST01-0010 (section view of conveyer area and pit), ST02-0001, ST02-0003 (compactor foundation slope), and EL01-5000.

Answer: CAD files have been made available as a separate download from SWACO's website.

Listed below are additional questions received relating to the Project above with answers from SWACO:

Question #12: Most of the conveyor manufacturers that we have contacted, as well as we as the compactor manufacturer have moved to a ~6mil high build direct to metal paint designed for industrial equipment. Would this be acceptable over a two-step process?

Answer: The proposed paint is acceptable.

Question #13: Will the AT5412 RFID Tags be programmed in ATA Format? This will affect appropriate reader options.

Answer: The RFID tags will be programmed in ATA format.

The timeframe for questions relating to this RFB is now CLOSED.

Bids are due no later than 2:00 p.m., April 18, 2025

++ This completes Addendum No. 4 ++
