Products

- **Binders:** View Case Binders™ are fully enclosed and stackable, preventing tear-out and resisting moisture. Full wrap overlays offer easy custom covers and spines in a single sheet. Available with capacities from 0.5" to 5.0". **Metal free for easy security screening. All are PVC-free and 100% recyclable. Also** disc pages in 100% archival-safe polypropylene.
- **Accessories:** Pages and adhesive pockets.
- **EnvyPak™:** Archival envelopes and marketing mailers made of crystal clear 100% polypropylene or laser-printable paper/poly. Also available: biodegradable clear envelopes made from a plastic produced from an annually renewable and sustainable resource: corn. **EarthFirst®** PLA Film is a registered trademark of Plastic Suppliers, and utilizes **NatureWorks®** PLA resin supplied by NatureWorks LLC.
- **Custom:** Binders and mailers can be created to your specifications (i.e. color, ring size, adhesives, etc.)

Solving Legal Problems for Contractors and Agencies Across the Country

Watson & Associates, LLC is a Denver-based law firm that provides legal support and consulting services to small, medium and large federal contractors in Colorado and throughout the United States. Our firm employs seasoned attorneys and support staff with a combined experience of over 40 years working for federal contracting agencies. At Watson & Associates, our goal is to increase your success in federal procurement which will increase your bottom line.

We focus on:

- **Leading businesses to contract award**
- **Litigating issues such as bid protest and claims**
- **Training government and commercial businesses**

Theodore P. Watson, Managing Attorney, heads the organization. Mr. Watson is a retired U.S. Air Force member and former Small Business Program and Quality Assurance Program Manager for the Department of Defense. He guides contractors across the country in mitigating risk, improving contract performance and minimizing legal disputes.
