

## **Request for Qualifications to Provide Gas Collection & Control Design Services**

Posted: October 1, 2026

---

This Addendum No. 2 shall be considered part of the Request for Qualifications (RFQ) to Provide Gas Collection & Control (GCCS) Design Services and is intended to correct, change, and/or add to the documents as described below. Please make sure to complete the *Addenda Acknowledgement* form included in the *Required Forms* (Exhibit B).

Listed below are questions received with answers from SWACO:

**Question #5:** *The RFQ requires professional liability insurance with a coverage limit of \$5,000,000 under Section VI.F.4.e. However, Section VI.F.4.e also notes that the insurance limits may be adjusted according to industry standards, risk, and further assurances. Can SWACO clarify whether proposers must carry the full \$5,000,000 professional liability limit at the time of SOQ submission and contract execution, or whether lower limits may be considered as part of the evaluation and contract negotiation process?*

**Answer:** The RFQ Documents, Section II(F), state that any exceptions to the RFQ must be noted in the *RFQ Exceptions Form* provided in Exhibit A. Proposers are requested to list any exceptions to the RFQ Documents in this form. Otherwise, it is assumed that compliance with the RFQ Documents are accepted. Please see Section II(F) of the RFQ Documents

**Question #6:** *The RFQ does not appear to include a fee proposal or rate schedule requirement. However, the sample contract references rates as a contract exhibit. Can SWACO clarify whether proposers should include hourly billing rates or a fee schedule with their Statement of Qualifications, or whether pricing will be requested separately for individual task orders after consultant selection?*

**Answer:** The Request for Qualifications is for requesting qualifications from suppliers that can perform the services outlined in Exhibit A, Scope of Services. After evaluations are completed and the top ranked Proposers are identified, interviews may take place as part of the evaluation process. The Awarded Proposers will be asked to provide their rates to be included as Exhibit C to the contract.

**Question #7:** *I would like a plan holder list for this project.*

**Answer:** The plan holder list is attached to this Addendum No. 2.
